

Worker’s Compensation and Harassment Training: Soup to Nuts from Investigation to Resolution

October 29, 2018 – 10 AM to 5 PM

Hotel Indigo Harrisburg

765 Eisenhower Blvd, Harrisburg, PA 17111

The training will focus on two separate types of claims that are more and more common in the public transit industry. The program will focus on the unique aspects of each type of situation and how an investigation should occur for each discipline. The class will also focus on litigation aspects of each of the two potential areas of the law and how staff and employees can better prepare for a strong defense if claims should arise. During the harassment presentation we will look at policy implementation and ensuring your drivers and staff have the tools they need to prevent claims from reaching litigation.
