

## **SMS- Principles for Transit (SMST)**

**December 5-7, 2017**

Hyatt Place State College

219 West Beaver Avenue | State College, PA 16801

Led By: Transportation Safety Institute

### **TRAINING DETAILS**

**This course will include an introduction to the principles and 4 key pillars of a Safety Management System (SMS): Policy, risk, assurance and promotion. Building upon traditional transit system safety, participants will learn about the SMS framework which includes executive leadership and accountability for safety, creating a positive safety culture, preventive risk analysis and building an employee non-punitive safety reporting program. At the end of this course, participants will have a great awareness of crucial safety practices which are available through SMS integration with transit system safety; including practical applications and exercises to begin SMS implementation.**
